

Product Specification

| | | |
|----------------------|-----------------|---|
| Product Name | E27 Filament 3w |  |
| Product Model | BB0027 | |

| Optical Parameters | | Electrical Parameters | |
|-----------------------|--|---------------------------|------------|
| LED Chip Brand | Taiwan chip | Input Voltage | 85-265V AC |
| LED Chip Type | E27 socket | Power Frequency | - |
| LED Chip Quantity | 2line | Output Voltage | - |
| Color Temperature | BB0027-60K: 6000k BB0027-32K: 3200k | Output Current | - |
| Fixture Efficiency | - | Total Power Consumption | 3w |
| Light Efficiency | - | LED Power Consumption | 3w |
| Luminous Flux | 200±10%lm | Power Efficiency | - |
| Color Rendering Index | 80 | Power Factor | - |
| Beam Angle | - | Total Harmonic Distortion | - |

| Others | | | |
|-----------------------------------|---|--------------------------|--------------|
| Heat Sink Surface Temperature | - | Lifetime | >30,000hours |
| Luminaire Base Temperature | - | Fixture Material | - |
| Working Temperature (Environment) | - | IP Level | - |
| Working Humidity (Environment) | - | Net Weight | - |
| Storing Condition | - | Light Dimensions | D45xH77mm |
| HID Replacment | - | Light Package Dimensions | - |

| Light Distribution Curve | Physical Dimensions |
|--------------------------|---|
| |  |
